The Congregation of Reform Judaism is a **partnership among members** who support each other and the larger community. We hope that all our members find a comfortable Jewish home in the Temple. CRJ has always been welcoming to all Jews, regardless of their financial means. We intend to uphold this vital tradition, and to do so we need every family or household to do their best to help build our community. Below, please find a complete explanation of the various components of your Membership Pledge. Please do not hesitate to call the Executive Director, Michael Kancher, if you need additional clarification. **Thank you for being a part of our congregational family.**

Membership Pledge

We believe that a strong and vital Temple congregation benefits all of us, regardless of whether you are actively or only occasionally involved in Temple activities. All of us collectively, must see to it that the Temple is both financially and spiritually healthy. CRJ's membership pledge structure is responsive to member resources as is appropriate for our unique and diverse community. Membership pledge revenues are required to fund Temple operations and programs like the religious school, library, social action, etc. Please see the sections below for full explanations of those portions of your Total Pledge Amount.

Membership Pledge Relief:

No member will be turned away from our Temple community because of an inability to pay the Supporting Membership Pledge. In order to be considered for pledge relief, please fill out a Pledge Relief Form. Please attach a copy of the front page of the most recent year's tax return in addition to the Pledge Relief Form. You may be assured that any information you share during the Pledge Relief process will remain strictly confidential and is only reviewed by a member of the Dues Committee. Please contact Michael Kancher (mkancher@crjorlando.org) for more information.

Building Fund

The Building Fund was established to properly maintain our building. Every household makes an **equal** contribution to the Building Fund over the lifetime of their membership (typically paid over five years). The current Building Fund assessment is \$1,500, payable over five years or \$300 per year, per family. This amount is separate from and is not included in the Membership Pledge portion of the Total Pledge. You may inquire about your family's balance to the Building Fund contribution by contacting the Executive Director.

Security Assessment

At this time, we believe that it is important to maintain a high level of security on Temple grounds whenever there is a program, activity or function. To that end, CRJ uses the services of the off-duty Orange County Sheriff's Department to provide a secure environment in which the congregation can worship and participate in Temple activities. This year's Security Assessment of \$100 covers the costs of maintaining our security program and is required by all membership pledge categories (Supporting and Sustaining Levels)

ARZA/World Union

Our congregation strongly supports the work of ARZA/WORLD UNION. It is the representative body of the growing Reform Movement around the world and in Israel. As a member of ARZA/WORLD UNION your pledge helps to establish and support new Reform Jewish communities and congregations in Europe and in the Former Soviet Union, aid Jewish immigrants, support social service programs in Israel and in other countries where Jews are in need. Your support ensures equal rights for Reform Jews in Israel supports a Religious Action Center and staff working towards ensuring a pluralistic Jewish State. Although this is an OPTIONAL membership of \$36, we strongly encourage all CRJ members to become members of ARZA/WORLD UNION.
